Discounts for lease in buildings and masts

- Agreement length one year, discount 5%. Exit charge 1 month lease rental.
- Agreement length 2 years, discount 10%. Exit charge 2 months lease rental.
- Agreement length 3 years, discount 15%. Exit charge 3 months lease rental.

The exit fee is a charge made where an agreement on hosting is terminated before the agreed duration of the agreement has expired. The charge is added to the six-month notice to quit, see Article 16.3 in the agreement.

Electricity

Mila's fees for resale of electricity are ISK 11,000 kW/month in urban areas and ISK 13,110 kW/month in rural areas.

As customers have their own meter, the fee for common costs is ISK 2,200 kW/month in urban areas and ISK 2,622 kW/month in rural areas.
